

Schinoussa

Skhinoússa is located at the centre of the Small Eastern **Cyclades** island group, south of **Náxos** and north-east of **Irakliá**. It is a tiny island with three villages: Hóra, Messaria and Mersini. It took its name after the bushy plant lentisk (Schino in Greek) that flourishes on the island. **Mersini**, the island's port, is a haven for small boats, preferred by many across the Aegean; during the summer it is a popular mooring spot for **sailing** enthusiasts.

With Mersini as a starting point, follow a beautiful **hiking trail** around the island (it will take you only 2 hours!), enjoy the **unspoiled natural** landscape and discover beautiful gardens, exotic palm trees and sun-kissed beaches along your walk that will steal your heart away!
